<b>COLOR HARMONY</b> The colors work well with one another, cohesiveness to the work. Overall impression is good.						<b>COLOR HARMONY</b> The colors do not work well with one another, there seems to be no cohesiveness to the work. Overall impression is lacking.	<b>ADHERES TO THEME</b> Team fleshed out theme well—work displays theme of hope also in description						<b>THEME</b> Theme doesn't portray hope and new beginnings.
<b>COMPOSITION</b> Composition is dynamic, attention grabbing, shows movement, flow, motion. Creates a element of captivation for the viewer						<b>COMPOSITION</b> No dynamic elements, no movement, flow, or motion. No visual interest.	<b>DESCRIPTION</b> Work is explained well including their materials and inspiration. Aids in visualization of final work.						<b>DESCRIPTION</b> Explanation is hard to follow, doesn't include materials and/or inspiration. No help to "see" final work.
<b>USE OF DOOR</b> Door is used creatively in the artwork & goes beyond just paint on a door.						<b>USE OF DOOR</b> Door is used very basically. Artist doesn't go beyond just paint on the door.	<b>COMMUNITY GROUP</b> Involves group on every stage of project, unique for the project.						<b>COMMUNITY GROUP</b> No apparent involvement from a group.
<b>ART FITS THE THEME</b> There is a sense of hope and new beginnings. Work creates interest in discovering how it relates to theme.						<b>ART FITS THE THEME</b> No sense of "hope and new beginnings". There is no interest in discovering how work relates to theme.	<b>APPROPRIATENESS</b> Work shows no signs of offensiveness or accessibility to all people / family friendly						<b>APPROPRIATENESS</b> Work is offensiveness / not accessible to all people / not in line with mission of HAC or L/LLC HH
<b>OVERALL IMPRESSION</b> Initial response is pleasant good and there is a want to see it created to scale.						<b>OVERALL IMPRESSION</b> Initial response is confusing—no desire to see it created to scale.	<b>OVERALL</b> Work is original / quality in proposal is high / confident team will finish project well						<b>OVERALL</b> Work lacks originality & quality in proposal is poor / question final quality.
